

## Plan Member/Dependent Section

If your Canada Life group life insurance has been terminated or reduced, you may be able to purchase an individual life insurance conversion policy, without providing medical evidence of insurability. The life conversion application must be received by Canada Life within 31 days after your group coverage terminates or reduces. Here's what you need to do to convert your group life insurance:

**Step 1:** Give this completed Group Life Conversion Privilege Notification form to your advisor.

- a) If you do not have an advisor or your advisor is not licensed to sell Canada Life products, please visit [www.canadalife.com/find-an-advisor.html](http://www.canadalife.com/find-an-advisor.html), select Convert my group life insurance, under Existing Customers and complete the information form.

After you submit the form, an advisor will contact you and explain the life conversion options available so you can make the right choice based on your insurance needs.

- b) You may also speak to a customer service representative by calling: 1-888-252-1847. The customer service representative will assist in connecting you with an advisor.

**Step 2:** After you have decided on your life conversion option, the advisor will submit the completed and signed application, with the first full premium payment to Canada Life for processing. This application process must be completed within 31 days after your group insurance terminates or is reduced.
