- Your age at the end of the insurance billing period;
- The average daily balance of the *Revolving Portion* of your line of credit over the insurance billing period; and
- The number of days in the insurance billing period.

Note: the average daily balance is calculated by averaging your daily balances of your *Revolving Portion* of your insured line of credit over the billing period.

Monthly premiums for *Term Portions* are calculated based on:

- The amount of your *Term Portion* and your age at the start of each term.
- The number of days in the insurance billing period.

Note: The premium rate for your *Term Portion* will remain fixed for the duration of your term.

Multi-insured Discount

- A 15% discount will apply to each insured borrower's premium when more than one borrower is insured with the same coverage on the same line of credit.

A premium rate reduction will apply to the cost of the insurance for average insured balances of your line of credit as follows:

- A 20% premium rate reduction for amounts between \$75,000 - \$300,000
- A 25% premium rate reduction for amounts between \$300,000 and \$500,000.
- A 35% premium rate reduction for amounts between \$500,000 and \$1,000,000

- Critical Illness Insurance premiums and Life Insurance premiums for each insured borrower are calculated separately and charged to the line of credit as one amount on the last business day of each month.
- The premium rates per \$1000 of coverage are shown in the table below.

Note: these rates do not include applicable provincial sales taxes.

Premium rate per \$1,000[†] of single coverage:

[†] plus applicable provincial sales tax

The following example demonstrates how to calculate the monthly Life Insurance premium for a 34-year-old with a *Revolving Portion* only and an insured average daily balance of \$25,000, assuming a 31-day billing period:

| | Cost of Life Insurance |
|---|---|
| Premium Rate (A) | \$0.23 |
| Average Balance (B) | \$25,000 |
| $A \times B \div 1000 = C$ | $\$0.23 \times \$25,000 \div 1000 = \$5.75$ |
| $C \times 12 \div 365 = D$ (daily premium) | $\$5.75 \times 12 \div 365 = \0.1890 |
| $D \times$ number of days in the billing period = E (monthly premium) | $\$0.1890 \times 31 = \5.86 |
| Apply applicable sales tax of 9% | $\$5.86 \times 1.09 = \6.39 |

In this example, the Life Insurance premium would therefore be \$6.39 for that month.

The following example demonstrates how to calculate the monthly Critical Illness and Life Insurance premium for a 30-year-old with a *Term Portion* only and a balance of \$50,000 at the start of the term, assuming a 31-day billing period:

| | Cost of Life Insurance | Cost of Critical Illness Insurance |
|---|---|--|
| Premium Rate (A) | \$0.18 | \$0.20 |
| Balance at Start of Term (B) | \$50,000 | \$50,000 |
| $A \times B \div 1000 = C$ | $\$0.18 \times \$50,000 \div 1000 = \$9.00$ | $\$0.20 \times \$50,000 \div 1000 = \$10.00$ |
| $C \times 12 \div 365 = D$ (daily premium) | $\$9.00 \times 12 \div 365 = \0.2959 | $\$10.00 \times 12 \div 365 = \0.3288 |
| $D \times$ number of days in the billing period = E (monthly premium) | $\$0.2959 \times 31 = \9.17 | $\$0.3288 \times 31 = \10.19 |
| Apply applicable sales tax of 9% | $\$9.17 \times 1.09 = \10.00 | $\$10.19 \times 1.09 = \11.11 |
| Total | $\$10.00 + \$11.11 = \$21.11$ | |

In this example, the premium for Critical Illness and Life Insurance would be \$21.11 for that month.

- Premiums for the *Revolving Portion* and *Term Portion(s)* are calculated separately but they are charged directly to the line of credit as one premium amount.

When You Must Complete a Health Questionnaire

- You will need to complete a *Health Questionnaire* to be considered for the coverage you have applied for on your *Line of Credit* if you answered “YES” to any of the health questions in your *Application* (Section: Information about your health).
- You will need to complete a *Health Questionnaire* in order to be considered for the coverage you have applied for on your *Line of Credit* if your *Aggregate* coverage is greater than \$500,000.
- We will review your *Application* and let you know by mail if you are approved. Coverage starts on the date we write to let you know we have approved your *Life Insurance* and/or *Critical Illness Insurance* for the coverage you have applied for on your *Line of Credit* or under *Creditor Defined Plan*.

Note: We reserve the right to change our underwriting requirements and the questions in the *Application* at any time.

Maximum *Life Insurance* Coverage Amounts You Can Apply For

You can apply to insure the *Limit of your Line of Credit* to a maximum of \$1,000,000 for all of your combined *Lines of Credit*. This limit applies to the total life, accidental dismemberment and *Critical Illness Insurance* benefits payable for one insured person.

Note: The amount of coverage will be subject to the maximum *Life Insurance* coverage amounts and any other applicable restrictions as outlined in your insurance approval letter or Certificate of Insurance.

How A *Life Insurance* Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the following dates:

- for life coverage, the date of death;
- for accidental dismemberment coverage, the date of the *Accident*, which caused a covered loss.

When a benefit is paid, subject to the maximum *Life Insurance* amount of \$1,000,000, we pay the following amount associated with your *Line of Credit*:

- the outstanding balance up to your *Life Insurance Amount*, on the date of death or date the *Accident* caused a covered loss. We will not pay more than this outstanding balance*;

In addition, subject to the maximum *Life Insurance Amount* of \$1,000,000, we pay the following amount associated with your *Line of Credit*:

- plus discharge fees or prepayment charges, if applicable;
- plus interest owing, if applicable.

Note: We will deduct from the insurance benefit any *Line of Credit* payments that are in arrears prior to the date we determine benefits.

For *Lines of Credit* with partial coverage, the amount of the *Life Insurance* benefit available will be limited to the *Insured Benefit* percentage of the outstanding balance of your *Line of Credit*, as of the date of death or date the *Accident* caused a covered loss. Your *Insured Benefit* percentage is either:

- Specified at the time of *Application*; or
- Specified in the letter we send you approving your partial coverage.

Any *Life Insurance* benefit is subject to the coverage maximum.

When A Life Insurance Benefit May Be Limited

The *Life Insurance* benefit may be limited if the death of any insured borrower results from an illness or condition for which you had symptoms, received medical consultation, treatment, care or services, including prescribed medication within the 12 months prior to the date of death.

In this case, the insurance benefit will be limited to the lesser of:

- the total of the outstanding balance of each of the *Term Portion* and *Revolving Portion* on the day before the date of death, subject to the *Life Insurance Amount**; or
- the total of the outstanding balance of each of the *Term Portion* on the date of death and the average statement balances of the *Revolving Portion* for the past 24 months prior to the date of death.

Note: if you have partial coverage, the *Insured Benefit* percentage will be applied to either the outstanding balance or the average statement balance used to calculate your insurance benefit.

When We Pay a Life Insurance Benefit

In the event of death, we will pay a benefit to *TD Canada Trust* up to your *Life Insurance Amount*, and subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A Life Insurance Benefit

We will not pay a *Life Insurance* benefit if:

- your death occurs before your insurance coverage starts;
- your death is a result of events directly or indirectly related to, arising from, following your participation in, caused by or contributed to by, or associated with:
 - i. your use of any drug, poisonous substance, intoxicant or narcotic, unless taken according to the instructions of your physician;
 - ii. your operation of any motorized vehicle or watercraft while your ability to do so is impaired by drugs or alcohol, or with blood alcohol concentration in excess of legal limits in the jurisdiction where the death occurred; or
 - iii. your commission or attempted commission of a criminal offence.
- your life claim is not made within one year of the date of death;
- your insurance coverage has been in force for less than two years, and you die from intentional self-inflicted injury, suicide, attempted suicide (whether you are aware or not aware of the result of your actions, regardless of your state of mind). If this happens, we will refund all insurance premiums; or

- your insured *Lines of Credit* are less than or equal to \$50,000 and your death occurs within 12 months from the date your coverage starts, and is the result of an illness or condition for which you received medical consultation, treatment, care or services, including prescribed medication, during the 12 months prior to the date your coverage starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All Your Coverage”.

When We Will Pay An Accidental Dismemberment Benefit

In the event of accidental dismemberment, we will pay a benefit to *TD Canada Trust* up to your *Life Insurance Amount* if you suffer a covered loss as described below, which:

- is a bodily injury;
- is solely and directly caused by an *Accident*;
- occurs within 365 days of the *Accident*; and
- is beyond remedy by surgical or other means.

List of covered losses:

- loss of both arms;
- loss of both legs;

- loss of a leg means that the limb is severed at or above the ankle joint;
- loss of sight means the total and irreversible loss of vision in the eye as confirmed by an ophthalmologist, with corrected visual acuity being 20/200 or less;
- paraplegia means the complete and irrecoverable paralysis of the legs and lower part of the body;
- quadriplegia means the complete and irrecoverable paralysis of the body from the neck down; and

- hemiplegia means the complete and irrecoverable paralysis of one side of the body.

When We Will Not Pay An Accidental Dismemberment Benefit

We will not pay an accidental dismemberment benefit if:

- *your* accidental dismemberment occurs before *your* insurance coverage starts;
- *your* loss is a result of intentional self-inflicted injury, suicide, attempted suicide (whether *you* are aware or not aware of the result of *your* actions, regardless of *your* state of mind);
- *your* loss relates to an *Accident* that took place more than 12 months before the covered loss occurred;
- *your* loss is a result of events directly or indirectly related to, arising from, following *your* participation or attempted participation in, caused by or contributed to by, or associated with:
 - your* use of any drug, poisonous substance, intoxicant or narcotic, unless taken according to the instructions of *your* physician;
 - your* operation of any motorized vehicle or watercraft while *your* ability to do so is impaired by drugs or alcohol, or with blood alcohol concentration in excess of legal limits in the jurisdiction where the death occurred; or
 - your* commission or attempted commission of a criminal offence.
- *your* claim is not made within one year of the date of *your* loss; or
- *your* loss is an injury resulting either directly or indirectly from any illness, medical condition or congenital defect regardless of:
 - whether the illness or condition began before or after *your* coverage starts;
 - how *you* came to suffer from the illness or condition; and
 - whether the illness, condition or defect or resulting injury was expected or unexpected.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- if *you* give any false or incomplete responses to information that we require to approve *your* insurance; or
- if *you* give any false or incomplete information when requesting any change to *your* coverage.

This applies to the responses in *your Application* and to any other information we receive from you, whether in writing, electronically or by telephone.

Life Insurance Amounts After A Benefit Is Paid

- When we pay an accidental dismemberment benefit, the *Insured Benefit* percentage for *Life Insurance* will be reduced based on the amount of the benefit paid.
- When we pay a *Critical Illness Insurance* benefit, the *Insured Benefit* percentage for *your Life Insurance* will be reduced based on the amount of the benefit paid.
- When we pay an insurance benefit, the reduction in *your* benefit amount or termination of *your* coverage will not impact the *Life Insurance Amount* of other insured borrowers on *your Line of Credit*.

For Example:

If you have:

- a *Line of Credit* with a limit of \$1,000,000;
- an *Insured Benefit* percentage of 100% (full coverage) for *Critical Illness* and *Life Insurance*; and
- an accidental dismemberment claim with a benefit payment of \$250,000 is approved;

Then:

- *your Insured Benefit* percentage for *your Critical Illness* and *Life Insurance* coverage will be reduced to 75% ($(\$1,000,000 - \$250,000) / \$1,000,000 = 75\%$)

Note: for information about *Insured Benefit* percentage, refer to the section “Partial Coverage” on pg. 21

When Your Life Insurance Ends

Your Life Insurance on *your Line of Credit* will end without notice to you, on the earliest date when any of the following occurs:

- you no longer are a borrower on the *Line of Credit*;
- you turn 70 years old;
- if you are covered under the *Creditor Defined Plan*, your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the *Creditor Defined Plan*;
- we receive a written request from you to cancel *your* coverage or, if we are

able to confirm *your* identity, and we receive *your* request by telephone to cancel *your* coverage. If there is more than one borrower insured on the *Line of Credit*, each insured borrower must provide a request to cancel coverage individually;

- the insured *Line of Credit* is paid in full and closed;
- a total of 3 months of unpaid premiums have accumulated*;
- we pay a *Life Insurance* benefit on you to your *Line of Credit*;
- the *Policy* is terminated*;
- *TD Canada Trust* starts legal proceedings against any borrower concerning the insured *Line of Credit**;
- the *Limit of your* existing insured *Line of Credit* is increased and the increase results in an *Aggregate* amount exceeding \$50,000. In this instance you will need to reapply*;
- you die.

*This will end insurance coverage for all insured borrowers on the *Line of Credit*.

When *your* insurance coverage ends for any reason, we will not notify the other person(s) liable to *TD Canada Trust* for the *Line of Credit*.

We will refund any premiums we may owe you after *your* coverage ends. If you cancel *your* coverage within the first 30 days, *your* premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: if you complete an *Application for Life Insurance* but before the *Line of Credit* is activated and *TD Canada Trust* approves a change to the *Limit* that would increase *your Aggregate* coverage to over \$50,000, you will need to reapply.

Note: *Your* insurance coverage may end prior to the repayment of *your Line of Credit*.

Critical Illness Insurance

Critical Illness Insurance covers *Cancer (life-threatening)*, *Acute Heart Attack* and *Stroke*.

When Your Critical Illness Insurance Starts

Once *your Line of Credit* has been approved, *your Critical Illness Insurance* starts:

- on the date you applied for coverage if you answered “NO” to all health questions in *your Application* (Section: Information about *your* health) and *your Aggregate* coverage is \$500,000 or less; or

- on the date we write to let you know that we have approved your *Critical Illness Insurance* if you answered “YES” to any of the health questions in your *Application* (Section: Information about your health), or if your *Aggregate* coverage is greater than \$500,000.

If you have an existing *Line of Credit* with active *Life Insurance* or *Critical Illness* and *Life Insurance*, and you are refinancing or applying for an increase in coverage, then your coverage start date will be outlined in the section “Making a Change to Your Coverage”.

When You Must Complete a Health Questionnaire

- You will need to complete a *Health Questionnaire* in order to be considered for the coverage you have applied for on your *Line of Credit* if you answered “YES” to any of the health questions in your *Application* (Section: Information about your health); or
- You will need to complete a *Health Questionnaire* in order to be considered for coverage on your *Line of Credit* if your *Aggregate* coverage is greater than \$500,000.

We will review your *Application* and let you know by mail if you are approved for the coverage(s) you applied for.

Note: We reserve the right to change our underwriting requirements and the questions in the *Application* at any time.

If you apply for *Critical Illness Insurance* in addition to *Life Insurance* and we require additional information from you, your coverages may start on different dates, but your *Critical Illness Insurance* can never begin before your *Life Insurance*.

Maximum Critical Illness Insurance Coverage Amounts You Can Apply For

You can apply to insure the *Limit of your Line of Credit* to a maximum of \$1,000,000 for all of your combined *Lines of Credit*. This limit applies to the total life, accidental dismemberment and *Critical Illness Insurance* benefits payable to one person.

Note: The amount of coverage will be subject to the maximum *Critical Illness Insurance Amounts* and any other applicable restrictions as outlined in your insurance approval letter or Certificate of Insurance.

How A Critical Illness Insurance Benefit Is Determined

When we pay an insurance benefit, we will determine the amount payable as of the date of diagnosis.

When a benefit is paid, subject to the maximum *Critical Illness Insurance* Amount

of \$1,000,000, we pay the following amount associated with your *Line of Credit*:

- the outstanding balance up to your *Insurance Amount* on the date of diagnosis*. We will not pay more than this outstanding balance;

In addition, subject to the maximum *Critical Illness Insurance* amount of \$1,000,000, we pay the following amounts associated with your *Line of Credit*:

- discharge fees or prepayment charges, if applicable;
- interest owing, if applicable.

Note: We will deduct from the insurance benefit any *Line of Credit* payments that are in arrears prior to the date we determine benefits.

For *Lines of Credit* with partial coverage, the amount of the *Critical Illness Insurance* benefit will be limited to the *Insured Benefit* percentage of the outstanding balance on your *Line of Credit* as of the date of diagnosis of a covered critical illness. Your *Insured Benefit* percentage is either:

- Specified at the time of *Application*; or
- Specified in the letter we send you approving your partial coverage.

Any *Critical Illness Insurance* benefit is subject to the maximum coverage amount.

*Payment is always subject to the section “When A *Critical Illness Insurance* Benefit May Be Limited”.

When A *Critical Illness Insurance* Benefit May Be Limited

The *Critical Illness Insurance* benefit may be limited if diagnosis of the covered critical illness results directly or indirectly from any illness or condition for which you had symptoms, received medical consultation, treatment, care or services, including prescribed medication within the 12 months prior to the date of diagnosis.

In such case, the insurance benefit will be the lesser of:

- the total of the outstanding balance of each of the *Term Portion* and *Revolving Portion* on the date of diagnosis subject to the *Critical Illness Insurance Amount**; or
- the total of the outstanding balance of each of the *Term Portion* on the date of diagnosis and the average statement balance of the *Revolving Portion* for the last 24 months prior to the date of diagnosis.

When We Pay A *Critical Illness Insurance* Benefit

In the event you are diagnosed with *Cancer (life-threatening)*, *Acute Heart Attack*, or *Stroke* we will pay a benefit to *TD Canada Trust* up to your *Critical Illness Insurance Amount*, as described in the section “How a *Critical Illness Insurance* Benefit is Determined”.

When We Will Not Pay A *Critical Illness Insurance* Benefit

We will not pay a *Critical Illness Insurance* benefit if:

- *your* diagnosis of a covered condition occurs within 24 months of *you* becoming covered under this Certificate of Insurance, and *your* diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which *you* had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication, during the 24 months prior to the start of *your Critical Illness Insurance* (this is called a “**pre-existing condition**”);
 - If *you* have an existing *Line of Credit* with active *Life Insurance* or active *Critical Illness Insurance* and *Life Insurance*, and *you* are refinancing or applying for an increase in coverage, please refer to section “Making a Change to Your Coverage” for information about “**pre-existing conditions**”.
- *your* claim is a result of *your* use of illegal or illicit drugs or substances;
- *your* claim is a result of *your* misuse of medication obtained with or without prescription; or
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days when *your* coverage starts. In this instance, all insurance premiums paid will be refunded.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

When We May Not Pay Any Benefit and *Your* Coverage Will Terminate

We will not pay any benefit and terminate all *your* coverage if:

- *you* give any false or incomplete responses to any of the health questions or give incorrect or incomplete information relating to *your Application* for insurance or when requesting a change to *your* coverage, *your* coverage may be cancelled if it has been in effect for less than 2 years, or at anytime if the information provided was fraudulent.

This applies to the responses in *your Application* and to any other information we receive from *you*, whether in writing, electronically or by telephone.

Critical Illness Insurance Amounts After a Benefit Is Paid

- When we pay an accidental dismemberment insurance benefit, the *Insured Benefit* percentage for *Critical Illness Insurance* will be reduced based on the amount of the benefit paid.

- When we pay a *Critical Illness Insurance* benefit, your *Critical Illness Insurance* coverage will end.

When we pay an insurance benefit, the reduction in your benefit amount or termination of your coverage will not impact the *Life Insurance Amount* of other insured borrowers on your *Line of Credit*.

For Example:

If you have:

- a *Line of Credit* with a *Limit* of \$1,000,000;
- an *Insured Benefit* percentage of 100% (full coverage) for *Critical Illness* and *Life Insurance*; and
- a *Critical Illness Insurance* claim with a benefit payment of \$250,000 is approved

Then:

- your *Critical Illness Insurance* coverage will end; and
- your *Insured Benefit Percentage* for your *Life Insurance* coverage will be reduced to 75% $((\$1,000,000 - \$250,000)/\$1,000,000 = 75\%)$

Note: for information about *Insured Benefit* percentage, refer to the section “Partial Coverage” on pg. 21

When Your *Critical Illness Insurance* Ends

Your *Critical Illness Insurance* on your *Line of Credit* will end without notice to you on the earliest of the date that your *Life Insurance* ends, as described in the section “When Your *Life Insurance* Ends,” or when any of the following occurs:

- we pay any *Critical Illness Insurance* benefit on you to your insured *Line of Credit*;
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days from when your coverage starts;
- we receive a written request from you to cancel your *Critical Illness Insurance* or, if we are able to confirm your identity, and we receive your request by telephone to cancel your *Critical Illness Insurance*. If there is more than one borrower insured on the *Line of Credit*, each insured borrower must provide a request to cancel coverage individually; or
- if you are covered under the *Creditor Defined Plan*, your 5-year period of coverage has come to an end, or you turn 70 while enrolled in the *Creditor Defined Plan*.

This will not end insurance coverage for other insured borrowers on the *Line of Credit*.

When *your* insurance coverage ends for any reason, we will not notify the other person(s) liable to *TD Canada Trust* for the *Line of Credit*.

We will refund any premiums we may owe *you* after *your* coverage ends. If *you* cancel *your* coverage within the first 30 days, any premiums *you* have paid will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

Note: *Your* insurance coverage may end prior to the repayment of *your* *Line of Credit*.

Additional Conditions to Coverage

The following sections explain additional conditions that may apply to *your* *Life Insurance* or *Critical Illness and Life Insurance*. If any of these additional conditions apply to *you*, we will let *you* know in writing.

The additional conditions to coverage are subject to all exclusions and limitations to *Life Insurance* and *Critical Illness Insurance* coverage outlined in the following sections:

- “When We Will Not Pay a *Life Insurance* Benefit”, page 23
- “When We Will Not Pay An Accidental Dismemberment Benefit”, page 25
- “When We Will Not Pay A *Critical Illness Insurance* Benefit”, page 30
- “When We May Not Pay Any Benefit And Terminate All *Your* Coverage”, page 30
- “When *your* *Life Insurance* Ends”, page 26, and;
- “When *your* *Critical Illness Insurance* Ends”, page 31.

Partial Coverage

If *your* *Aggregate* coverage exceeds \$1,000,000, we may offer *you* partial *Life Insurance* or partial *Critical Illness and Life Insurance*.

Insured Benefit Percentage

You may choose to apply for partial coverage on *your* *Line of Credit* by selecting an *Insured Benefit* percentage on *your* *Application* that equates to a coverage amount between \$300,000 and \$1,000,000. The percentage selected for both *Critical Illness Insurance* and *Life Insurance* must be the same and is subject to approval conditions. However, *your* *Insured Benefit* percentage may be adjusted as a result of *our* approval process.

Once *your* approval process is complete, if we determine the selected *Insured Benefit* percentage for *Critical Illness Insurance* requires adjustment (based on the conditions stated above), we will make the necessary change to the *Insured Benefit* percentage *you* are approved for. In this case, *your* maximum partial coverage amount will be a lower percentage of *your* *Line of Credit* than *you*

applied for. We will communicate the *Insured Benefit* percentage you have been approved for in our approval letter to you.

The *Aggregate* coverage is subject to the \$1,000,000 maximum coverage amount. Your *Insured Benefit* percentage selected at the time of *Application* or as indicated in our approval letter to you, will be used to calculate the partial coverage amount. Your partial coverage amount cannot be lower than \$300,000. Therefore:

- If *Limit* of your *Line of Credit* is \$300,000 or less, you will be insured for 100% of your *Line of Credit* and no partial coverage will be granted.
- If the *Insured Benefit* percentage selected on your *Application* equates to a coverage amount below \$300,000, the *Insured Benefit* percentage must be re-adjusted so that it equates to a coverage amount of a minimum of \$300,000 on your *Line of Credit*.
- If your *Line of Credit* amount is greater than \$1,000,000, partial coverage will be granted.

The following two examples illustrate when we would offer partial coverage:

Example 1:

- You have \$300,000 *Life Insurance* or *Critical Illness* and *Life Insurance* coverage on your first *Line of Credit*.
- You are approved for a second *Line of Credit* for \$1,000,000 and applied for *Line of Credit Life Insurance* or *Critical Illness* and *Life Insurance*.
- Since the maximum coverage offered is \$1,000,000, the remaining coverage available for your second *Line of Credit* is \$700,000. This is 70% of your second *Line of Credit*.
- If at claim time the average daily balance on your second *Line of Credit* is \$100,000, then the maximum amount payable under your partial coverage will be 70% of the average balance of your second *Line of Credit* (70% of \$100,000 = \$70,000).

Example 2:

- You have a *Line of Credit* for 1,200,000 when you apply for *Life Insurance* or *Critical Illness* and *Life Insurance* coverage
- Since maximum coverage offered is \$1,000,000, you are provided with 83% ($\$1,000,000 \div \$1,200,000$) of the credit limit of your *Line of Credit*.
- If at claim time the average daily balance on your *Line of Credit* is \$1,000,000, then the maximum amount payable under your partial coverage will be \$830,000 (83% of \$1,000,000).

Creditor Defined Plan

The *Creditor Defined Plan* provides the same coverage as *Life Insurance* or *Critical Illness and Life Insurance* however, it is for up to a maximum of \$500,000 per coverage and it is limited to a 5-year period.

To be considered for the *Creditor Defined Plan*, you will need to provide your consent on your *Application*. Your consent to be enrolled does not guarantee your enrollment in coverage. We may not be able to provide you with any coverage if you do not meet our standard approval criteria.

There are two circumstances when you may enroll in the *Creditor Defined Plan*:

- Depending on your answers to the questions on the *Health Questionnaire*, we may determine that you do not qualify for coverage on the full-term of your *Line of Credit*. In this case, you may choose to be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria; or
- In the event that we are unable to reach you to complete the *Health Questionnaire* and complete our approval process, we will not be able to consider you for coverage for the full-term on your *Line of Credit*. In this case, you will be enrolled in the *Creditor Defined Plan* if you meet our standard approval criteria.

If you are enrolled in our *Creditor Defined Plan*, your coverage starts on the date we write to let you know that we have approved you for *Life Insurance* or *Critical Illness and Life Insurance*. Our 30-day review period described on page 53 applies if you are enrolled in the *Creditor Defined Plan*.

At the end of the 5-year period following your coverage effective date, you will need to complete a new *Application* for coverage if you wish to maintain credit protection on your *Line of Credit*.

Premiums are calculated based on your age at the end of the insurance billing period, your average monthly balance and number of days in the insurance billing period.

If you complete a new *Application* for coverage at the end of the 5-year period, premium rates will be based on your age at the time of your new *Application*.

If you are enrolled in the *Creditor Defined Plan* and are refinancing your *Line of Credit* and you have applied for additional coverage, we may offer you coverage for the remainder of your 5-year period of coverage (subject to the maximum coverage amounts and you being eligible to apply).

To be eligible to apply for an increase or transfer of existing coverage for your insured *Line of Credit*, you must be:

- a Canadian Resident;
- between 18 and 69 years old;

- refinancing or replacing your existing *Line of Credit*; and
 - have active *Life Insurance* or *Critical Illness and Life Insurance* on your existing *Line of Credit*; or
 - apply within 30 days of your *Line of Credit* being refinanced and your existing coverage ending because of the refinance.

If you are approved for an increase or transfer of existing coverage, your premiums are calculated based on your age at time of your new *Application*.

When We Will Not Pay A Critical Illness Insurance Benefit Under Creditor Defined Plan

We will not pay a *Critical Illness Insurance* benefit under *Creditor Define Plan* if:

- your diagnosis of a covered conditions occurs within 24 months of you becoming covered under your original *Critical Illness Insurance* and your diagnosis is a result of an illness or condition (whether this illness or condition is diagnosed or undiagnosed) for which you had symptoms or received medical consultation, tests, treatment, care or services (including without limitation, diagnostic services or measures), including prescribed medication during the 24 months prior to the start of your original *Critical Illness Insurance* (this is called a “**pre-existing condition**”);
 - If you have an existing *Line of Credit* with active *Life Insurance* or active *Critical Illness and Life Insurance*, and you are refinancing or applying for an increase in coverage, please refer to section “Making a Change to Your Coverage” for information about “**pre-existing conditions**”.
- a diagnosis of *Cancer (life-threatening)* or investigation leading to a diagnosis, occurs within 90 days when your *Original Application* coverage starts.

Note: Please refer to the “*Life Insurance*” and “*Critical Illness Insurance*” sections for all applicable terms and conditions on pages 21 and 27.

Individuals who are approved under the *Creditor Defined Plan* will not be considered for recognition of prior coverage as described under the section “Recognition of Prior Coverage” on page 36.

Making a Change to Your Coverage

When You Will Need to Complete a Confirmation of Continued Coverage Form to Increase or Transfer Your Existing Coverage

- If you are increasing the *Limit* of your existing insured *Line of Credit*, and your *Aggregate* coverage is \$50,000 or less;
- If you are transferring your existing *Life Insurance* or *Critical Illness and Life Insurance* coverage, and your *Aggregate* coverage is equal to your original coverage amount up to a maximum of \$500,000.

When You Will Need to Complete a New *Application* to Increase or Transfer Your Existing Coverage

- If you are increasing the *Limit of your Line of Credit* with existing *Life Insurance* coverage, and your *Aggregate* coverage is greater than \$50,000, and less than \$500,000, and you request to increase your coverage amount, your existing coverage will end and you will be required to complete a new *Application*.
- If you increase the *Limit of your Line of Credit* and your *Aggregate* coverage is greater than \$500,000, and you request to increase your coverage amount, your existing coverage will end and you will need to complete a new *Application*.

Please note: If you increase or transfer your existing coverage, any coverage exclusions for “**pre-existing conditions**” that applied under your original Certificate of Insurance effective from your coverage start date will continue to apply under your new Certificate of Insurance for an amount equal to your original coverage amount. For any additional coverage you have applied for that is greater than your existing coverage amount, any coverage exclusions or limitations for “**pre-existing conditions**” will take effect as of the coverage start date of your *Application* for additional coverage.

Making Changes to Your Partial Coverage

If you wish to increase your *Insured Benefit* percentage, you must complete a new *Application*. The coverage amount will be adjusted, and premiums will be re-calculated based on your age at the time of the new *Application*. Any increases in coverage amounts will be subject to the coverage maximums as described in sections “Maximum *Life Insurance* Coverage Amounts You Can Apply For” and “Maximum *Critical Illness Insurance* Coverage Amounts You Can Apply For”.

If you wish to decrease your *Insured Benefit* percentage you must complete a Notification of Change Form available at all *TD Canada Trust* branches. Your premiums will be re-calculated based on your age at the date of your Original *Application*. Your new coverage amount will be in effect the date you sign the Notification of Change Form.

Recognition Of Prior Coverage

We may approve you for full or partial coverage on your *Line of Credit*, based on the amount previously insured, if:

- you do not meet our health requirements; or
- you are over age 55 but under 70; and
- you were insured with us under a previous *Line of Credit* or *Mortgage* with coverage other than our *Creditor Defined Plan*.

To qualify for recognition of prior coverage, you must apply within 30 days of the:

- the date *your* existing *TD Canada Trust Mortgage* was closed; or
- the date of *your* existing *Line of Credit* was closed.

Your maximum coverage amount, under Recognition of Prior Coverage, will be an *Insured Benefit* percentage equal to the insured balance of the discharged mortgage or the *Limit* on the previous *Line of Credit*. We will specify the amount in the letter we send approving you for coverage.

For Example:

- You have an existing *Line of Credit* insured with *Life Insurance* for \$80,000.
- You are replacing this with a new *Line of Credit* for \$180,000.
- Your *Life Insurance* is approved on a partial basis on the new *Line of Credit* under ROPC which equates to an insured benefit percentage of 44% ($\$80,000 \div \$180,000$).
- If at claim time the average daily balance on the new *Line of Credit* is \$100,000, then the maximum benefit amount payable to the *Line of Credit* would be 44% of \$100,000 = \$44,000.

Premium Information for *Critical Illness* and *Life Insurance*

- *Critical Illness Insurance* premiums and *Life Insurance* premiums for each insured borrower are calculated separately at the time each borrower applies for coverage and billed jointly.
- The premium rates per \$1,000 of coverage are shown in the table on page 51. These rates do not include provincial sales taxes.

Note: If we increase the rates, the increase will apply to everyone covered.

- Provincial sales taxes are applied to *your* premium, if applicable.

Premiums For *Revolving Portions*:

- Your premium is calculated based on your;
 - Age at the end of the insurance billing period; and
 - Average daily balance of the *Revolving Portion* of your *Line of Credit* over the insurance billing period.

- If the daily balance you owe on any day of the month is negative, we will use a daily balance of zero for that day in this calculation.

Premiums For Term Portions:

- Your initial premium is calculated based on the initial amount of your *Term Portion* and your age at the start of the term. The premium rate for your *Term Portion* will remain fixed for the duration of your term. When the term of your *Term Portion* ends, your premiums will automatically adjust to your current age and current *Term Portion* balance at the start of your new term.
- Your premium amount will be calculated at an annual rate and will be converted to a daily rate to account for the days in each billing cycle.
- The premiums for the *Revolving Portion* and *Term Portion(s)* are calculated separately and billed together as one amount on a monthly basis.

Note: The balance used to calculate premiums will be capped at the *Insurance Amount*.

The Insurance Billing Period

- Your insurance billing period usually starts on the second last business day of the previous month and ends on the third last business day of the current month. The number of days in an insurance billing period depends on the number of days in each month.

Multi-Insured Discount and Premium Rate Reductions

- A 15% multi-insured discount will apply to each individual *Life Insurance* premium if two or more persons are insured with *Life Insurance* on the same *Line of Credit* on the billing date.
- A 15% multi-insured discount will apply to each individual *Critical Illness* premium if two or more persons are insured with *Critical Illness* on the same *Line of Credit*.
- For the portion of your average insured balance between \$75,000 and \$300,000, a 20% reduction will be applied to the rate used to calculate your premium.
- For the portion of your average insured balance between \$300,000 and \$500,000, a 25% reduction will be applied to the rate used to calculate your premium.
- For the portion of your average insured balance between \$500,000 and \$1,000,000, a 35% reduction will be applied to the rate used to calculate your premium.

Please refer to the premium calculation examples on pages 42-49 for details on how to calculate your premium rate reductions.

Lump Sum Payment - Premium Reductions

- You may qualify for an insurance premium reduction if you make a lump sum payment towards the *Term Portion* of your *Line of Credit* for the lesser of:
 - 10% of the original amount of your *Term Portion*
 - \$5,000
- You must **notify us** of your eligible lump sum payment by speaking with your branch representative or by calling us at **1-888-983-7070** to see if you qualify.
- Premiums are re-calculated based on the original amount less the lump sum payment, using the original age and rate. Any lump sum payments less than the amounts stated above do not qualify for premium re-calculation. Previous payments, or if applicable, payments made to more than one *Term Portion* of a *Line of Credit*, cannot be added together to make up the minimum lump sum payment required for a premium re-calculation. Premiums will be recalculated and take effect as of the date we receive notification from you of your qualifying lump sum payment. Retroactive premium refund requests will not be honored.

Misstatement of Age

If a Certificate of Insurance is issued on an insured person based on an incorrect age, the following may apply:

- If you are still eligible for insurance, the premium amount will be adjusted to the correct amount based on the correct date of birth at your effective date; and
 - If overpaid, we will refund the excess premiums calculated at the time a claim is made against this Certificate of Insurance; or
 - If underpaid, we will decrease the benefit amount by the amount underpaid at the time a claim is made against this Certificate of Insurance;
- If you are not eligible for insurance, all coverages under this Certificate of Insurance will be considered never to have been in force and we will refund all premiums paid.

How To Calculate Your Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes on the last business day of each month from *your* Line of Credit account.

To calculate *your* monthly premium:

1. **Determine if you are eligible for a premium rate reduction.** A premium rate reduction is based on *your* average insured balance at time of billing. *Your* average insured balance is based on the sum of:
 - a. *Your* average daily insured outstanding balance on *your* Revolving Portion; and if applicable

- b. *Your* initial insured balance on each *Term Portion* averaged over the insurance billing period.

2. For each *Term Portion* of the *Line of Credit*:

- a. Find the premium rate that applies to *you* based on *your* initial age at the start of *your* term in the rate table;
- b. Multiply the rate by the insured amount of *your Term Portion* of *your Line of Credit* during the insurance billing period and divide it by 1,000;
- c. Multiply the result of 2b by *your Insured Benefit* percentage;
- d. Multiply the result of step 2c by 12; then divide by 365 to get the daily premium;
- e. Multiply the daily premium by the number of days in *your* insurance billing period;
- f. Apply the premium rate reduction (step one), if applicable;
- g. Apply the multi-insured discount, if applicable;
- h. Apply Provincial Sales tax (where required).

3. For the *Revolving Portion* of the *Line of Credit*:

- a. Find the premium rate that applies to *you* based on *your* current age in the rate table;
- b. Multiply the rate by the average daily balance of *your Revolving Portion* of *your Line of Credit* during the insurance billing period and divide it by 1,000;
- c. Multiply the result of 3b by *your Insured Benefit* percentage;
- d. Multiply the result of step 3c by 12; then divide by 365 to get the daily premium;
- e. Multiply the daily premium by the number of days in *your* insurance billing period;
- f. Apply the premium rate reduction (step one), if applicable;
- g. Apply the multi-insured discount, if applicable;
- h. Apply Provincial Sales tax, if applicable.

Examples:

Your monthly premium is dependent on the number of days in *your* insurance billing period. For illustration purposes, we will use a 31-day billing period in the following examples.

Single Applicant with *Critical Illness* and *Life Insurance* with *Revolving Portion* only:

You are:

- 34 years old, living in Ontario
- The *Limit* of your *Line of Credit* is \$50,000, with an average monthly balance of \$20,000
- Your *Insured Benefit* percentage is 100%

Based on the above information, your monthly insurance premium would be:

| | Life | Critical Illness |
|---|---|---|
| Step 1: | N/A | N/A |
| Step 2: | N/A | N/A |
| Step 3a: | \$0.23 | \$0.25 |
| Step 3b: | $\$0.23 \times \$20,000 \div 1000 = \$4.60$ | $\$0.25 \times \$20,000 \div 1000 = \$5.00$ |
| Step 3c: | $\$4.60 \times 100\% = \4.60 | $\$5.00 \times 100\% = \5.00 |
| Step 3d: | $\$4.60 \times 12 \div 365 = 0.1512$ | $\$5.00 \times 12 \div 365 = 0.1644$ |
| Step 3e: | $0.1512 \times 31 = \$4.6882$ | $0.1644 \times 31 = \$5.0964$ |
| Step 3f: | N/A | N/A |
| Step 3g: | N/A | N/A |
| Step 3h: | $\$4.6882 + 8\%* = \5.06 | $\$5.0964 + 8\%* = \5.50 |
| Monthly premium $\$5.06 + \$5.50 = \$10.56$ | | |

Single Applicant with *Life Insurance* only, and one *Term Portion*, and *partial coverage*:

You are:

- 34 years old, living in Ontario
- you have an initial *Term Portion* of your *Line of Credit* for \$400,000

- the average balance for the *Revolving Portion* of your *Line of Credit* this month was \$250,000.
- your *Insured Benefit* percentage is 50%.

Based on the above information, your monthly insurance premium would be:

| | | |
|--|--|--|
| Step 1: | Total insured coverage = $\$400,000 \times 50\% + \$250,000 \times 50\%$ = \$325,000 Premium Rate Reduction: = $((\$300,000 - \$75,000) \times 20\% + (\$325,000 - \$300,000) \times 25\%) \div \$325,000 = 15.77\%$ | |
| | Term Portion | Revolving Portion |
| Step 2a: | \$0.23 | Step 3a: \$0.23 |
| Step 2b: | $\$0.23 \times \$400,000 \div 1000 = \$92.00$ | Step 3b: $\$0.23 \times \$250,000 \div 1000 = \$57.50$ |
| Step 2c: | $\$92.00 \times 50\% = \46.00 | Step 3c: $57.50 \times 50\% = \$28.75$ |
| Step 2d: | $\$46.00 \times 12 \div 365 = \1.5123 | Step 3d: $\$28.75 \times 12 \div 365 = \0.9452 |
| Step 2e: | $\$1.5123 \times 31 = \46.8822 | Step 3e: $\$0.9452 \times 31 = \29.3014 |
| Step 2f: | $\$46.8822 - 15.77\% = \39.4892 | Step 3f: $\$29.3014 - 15.77\% = \24.6808 |
| Step 2g: | N/A | Step 3g: N/A |
| Step 2h: | $\$39.4892 + 8\% = \42.65 | Step 3h: $\$24.6808 + 8\% = \26.66 |
| Monthly premium \$ 42.65 + \$ 26.66 = \$ 69.31 | | |

Single Applicant with two *Term Portions*, and partial coverage

You are:

- 34 years old, living in Alberta
- you have *Life Insurance* coverage only
- your *Insured Benefit* percentage is 100%

Your insured *Line of Credit* is as follows:

| | Term Portion #1 | Term Portion #2 | Revolving Portion |

| Insured %: | 100% | 100% | 100% |
| Insured Amount: | \$500,000 | \$100,000 | \$10,000 |

Based on the above information, *your* insurance premium would be:

| Step 1: | Total Coverage = \$500,000 + \$100,000 + \$10,000 = \$610,000 Premium Rate Reduction = (((\$300,000 - \$75,000) x 20% + (\$500,000 - \$300,000) x 25% + (\$610,000 - \$500,000) x 35%) ÷ \$610,000 = 21.89% | | |

| Step 2d: | $\$90.00 \times 12 \div 365 = \2.9589 | $\$23.00 \times 12 \div 365 = \0.7562 | Step 3d: $\$2.30 \times 12 \div 365 = \0.0756 |
| Step 2e: | $\$2.9589 \times 31 = \91.7260 | $\$0.7562 \times 31 = \23.4411 | Step 3e: $\$0.0756 \times 31 = \2.3441 |
| Step 2f: | $\$91.7260 - 21.89\% = \71.6516 | $\$23.4411 - 21.89\% = \18.3110 | Step 3f: $\$2.3441 - 21.89\% = \1.8311 |
| Step 2g: | N/A | N/A | Step 3g: N/A |

Commonly Asked Questions About *Line of Credit Critical Illness and Life Insurance*

Is This Insurance Mandatory?

Applying for *Line of Credit Critical Illness and Life Insurance* is optional. You aren't required to have this product to obtain any *TD Canada Trust* products or services. But remember the benefits. If you were to die, suffer an accidental dismemberment or be diagnosed with a covered critical illness without it, would your family be able to manage your *Line of Credit* payments?

Can You Sign Up At Any Time?

Yes. As long as the *Policy** remains in force and you remain eligible to apply, there are no time constraints preventing you from taking advantage of low-cost coverage to protect your *Lines of Credit*. Your *TD Canada Trust* representative will be pleased to provide you with a *Line of Credit Critical Illness and Life Insurance Application*.

What If You Change Your Mind?

Your satisfaction and financial security are important to us. That's why we offer a **30-day review period**. If for any reason you are dissatisfied with your insurance coverage, you may cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel your own coverage at any time without the consent of the other borrowers by phone or by written request. If there is more than one borrower insured on the *Line of Credit*, each insured person must provide a separate request to cancel coverage.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm your identity, you will be able to cancel your coverage. In that case, your cancellation will be effective as soon as we complete the call.

To Cancel By Written Request

You can obtain a cancellation form at any *TD Canada Trust* branch, or by calling TD Life at **1-888-983-7070**. Please send the form to the address at

the back of this booklet. If you cancel your coverage by written request, we will honour your request on the date we receive it. We will refund any premiums we may owe you after your coverage has been cancelled.

Why Would Your Premium Fluctuate?

Your monthly premium is calculated based on your age at the end of the billing period, average balance, and the number of days in an insurance billing period. Your age can change at time of billing and the number of days in an insurance billing period may change from month to month, so your monthly premium can change even if your balance stays the same.

Your insurance billing period starts on the second last business day of the previous month and ends on the third last business day of the current month.

Is Your Balance Covered In Full?

There are situations where your insurance coverage is less than your outstanding debt.

The maximum available coverage on all your Lines of Credit combined is:

- \$1,000,000 for Life Insurance; and
- \$1,000,000 for Critical Illness Insurance.

If your Limit for all of your insured Lines of Credit is higher, you may have partial coverage on some of the Lines of Credit. Also, if you're not eligible for insurance based on your health or age, you might be approved for coverage if you were insured on a previous product. Sometimes, depending on the amount you were previously insured for, this means that the maximum benefit under your new Line of Credit is less than the full Limit.

Also, even if the maximum payable on your Line of Credit is the full amount of your Limit, in some cases, benefits can be limited. Limitations can apply if you didn't have to provide evidence of good health for your coverage, or if you suffer related symptoms in the 12 months before you die or are diagnosed with a covered critical illness.

For more information, please refer to sections "Maximum Life Insurance Amounts You Can Apply For" and "Maximum Critical Illness Insurance Amounts You Can Apply For" in this booklet.

Can Your Insurance End Before You Pay Off The Debt?

There are situations where your coverage may end before you pay off the balance in full and close your Line of Credit.

For Example:

Your insurance will end when you turn 70 years old or if you have accumulated a total of 3 months of unpaid premiums.

For more information, please refer to sections “When Your Life Insurance Ends” or “When Your Critical Illness Insurance Ends” in this booklet.

A distributor may not subordinate the making of a contract to the making of an insurance contract with the insurer specified by the distributor. The distributor may not exercise undue pressure on the client or use fraudulent tactics to induce the client to purchase a financial product or service.

Section 440

A distributor that, at the time a contract is made, causes the client to make an insurance contract must give the client a notice, drafted in the manner prescribed by regulation of the Authority, stating that the client may rescind the insurance contract within 10 days of signing it.

Section 441

A client may rescind an insurance contract made at the same time as another contract, within 10 days of signing it, by sending notice by registered or certified mail.

Where such an insurance contract is rescinded, the first contract retains all its effects.

Section 442

No contract may contain provisions allowing its amendment in the event of the rescission or cancellation by the client of an insurance contract made at the same time.

However, a contract may provide that the rescission or cancellation of the insurance contract will entail, for the remainder of the term, the loss of the favourable conditions extended because more than one contract was made at the same time.

Section 443

Section 443 of the Act respecting the distribution of financial products and services

The Act respecting the distribution of financial products and services gives you important rights.

- You are required to purchase insurance coverage to secure the repayment of a loan.
- However, you are free to purchase this insurance from the insurer or representative of your choice.
You may thus obtain the required insurance in three different ways:
 - 1. By purchasing the insurance offered to you.** If you choose this option, you benefit from the application of section 440 of the Act which allows you to rescind an insurance contract that you signed at the time of signing a lending agreement, without penalty, within 10 days of its signature. Your actual insurance contract may extend this period. However, you must then purchase another equivalent insurance to the satisfaction of the creditor who may not refuse without reasonable cause.
 - 2. By purchasing other insurance that is equivalent to the insurance required,** to the satisfaction of the creditor who may not refuse without reasonable cause.
 - 3. By demonstrating that you already have insurance that is equivalent to the insurance required,** to the satisfaction of the creditor who may not refuse without reasonable cause.

You may change insurer at any time, provided that you maintain during the term of the loan agreement an insurance equivalent to the insurance required to the satisfaction of the creditor who may not refuse without reasonable cause. You cannot be required to choose or keep an insurance contract with a particular insurer, nor can you be refused credit or have a loan called in for this reason.
