

Notice: Canadian Neutral Balanced Fund Facts – correction to investment segmentation

This notice applies to the following documents:

- Canada Life Standard series, Preferred series 1, Partner series, Preferred partner series and Constellation series Fund Facts booklet
- Canada Life Preferred series 2 Fund Facts booklet
- Canada Life Estate Protection Fund Facts booklet

In the *What does the fund invest in?* section for the Canadian Neutral Balanced Fund Facts, the investment segmentation was incorrect. The corrected investment segmentation is:

	Assets (%)
Foreign equity	41.52
Fixed income	33.97
Canadian equity	20.36
Cash and equivalents	4.16

There are no other changes to Fund Facts.
