

Addendum to Canada Life segregated funds policies
Originally with London Life Standard series, Preferred series 1,
Partner series, Preferred partner series Information folder

Updates to the Investment managers section

As of October 1, 2025, Setanta Asset Management Limited merged into Irish Life Investment Managers Limited who will now be the investment manager of the following segregated funds:

Segregated fund names
European Equity
Global Dividend
Global All Cap Equity

The *Investment managers* section located on page 52 of the Canada Life segregated funds policies information folder originally with London Life, is amended to remove all references to Setanta. The following investment manager is added to the section:

Irish Life Investment Managers Limited
located at Beresford Court, Beresford Place, Dublin 1 Ireland

The Fund Facts, forming part of the Canada Life segregated fund policies information folder originally with London Life, are amended to reflect where a segregated fund is currently managed by Setanta Asset Management Limited will now be changed to Irish Life Investment Managers Limited.

No other changes were made to either the information folder or Fund Facts.

This addendum forms part of your information folder containing important provisions that you should read prior to investing. The information folder contains general information about your policy and includes a summary of the various types of risks that may apply when you invest in a segregated fund. This addendum is not an insurance contract.

The Canada Life Assurance Company ("Canada Life") is the sole issuer of the individual variable annuity policy described in the information folder.

Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes the insurance cost for the guarantee. For details, please refer to the information folder and contract.

Who is this fund for?

A person who is investing for the longer term, seeking the growth potential of European companies, and is comfortable with moderate risk. Since the fund invests in stocks its value is affected by stock prices, which can rise and fall in a short period of time.

Notes

On October 1, 2025, Setanta Asset Management Limited has merged into Irish Life Investment Managers Limited. No other changes were made to the segregated fund.

How has the fund performed?

This section tells you how the fund has performed over the past 10 years for a policyowner who chose the 75/75 guarantee policy and Standard series option. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how a Standard series option will perform in the future. Also, your actual return will depend on the guarantee policy and sales charge option you choose and your personal tax situation.

Average return

A person who invested \$1,000 in a Standard series option on December 31, 2014 would have \$1,510.59 on December 31, 2024. This works out to an average of 4.21% a year.

Year-by-year returns (%)

This chart shows how a Standard series option has performed in each of the past 10 years. In the past 10 years, the fund was up in value 6 years and down in value 4 years.

How risky is it?

The risk rating for this fund is *Moderate*.

The value of your investments can go down. Please see the *Fund risks* section of the information folder for further details.

European Equity

How much does it cost?

The following table shows the fees and expenses you could pay to invest in or redeem units of the fund and will depend on the sales charge option you choose.

1. Sales charges

Sales charge option	What you pay	How it works	
Standard series FEL option	Up to 5% of the amount you invest.	- You and your financial security advisor determine the rate. - The fee is deducted from the amount you invest. It is paid as a commission.	
Preferred series 1 FEL option	Up to 2% of the amount you invest.		
Standard series DSC option and Preferred series 1 DSC option	If you redeem units within: 1 year of investing, you pay 5.50% 2 years of investing, you pay 5.00% 3 years of investing, you pay 5.00% 4 years of investing, you pay 4.00% 5 years of investing, you pay 4.00% 6 years of investing, you pay 3.00% 7 years of investing, you pay 2.00% - After 7 years, you pay 0.00%	- When you invest, Canada Life pays a commission of up to 5%. - You can redeem up to 10% of your units each year without paying a redemption charge.	- The redemption charge is a set rate. It's deducted from the amount you withdraw. - Any redemption charge you pay goes to Canada Life. - You can switch to units of other available funds as per the contract. If you switch from a DSC or LSC option to a FEL option you may pay a redemption charge. The redemption charge is based on the date you invested the premium.
Standard series LSC option and Preferred series 1 LSC option	If you redeem units within: 1 year of investing, you pay 3.00% 2 years of investing, you pay 2.50% 3 years of investing, you pay 2.00% - After 3 years, you pay 0.00%	- When you invest, Canada Life pays a commission of up to 2.50%. - You can't redeem units each year without paying a redemption charge.	
Effective May 12, 2023, contributions to the deferred sales charge (DSC) option are no longer accepted.			
Effective May 12, 2023, contributions to the low-load sales charge (LSC) option are no longer accepted.			
Partner series FEL option	Up to 5% of the amount you invest.	- You and your financial security advisor determine the rate. - The fee is deducted from the amount you invest. It's paid as a commission.	
Preferred partner series FEL option	Up to 2% of the amount you invest.	You will also agree on an advisory and management services fee (AMS) of between 0.50 – 1.25%. The AMS fee is deducted from your policy every month.	

2. Ongoing expenses

The MER includes the management fee and operating expenses of the fund as well as the insurance cost for the guarantee. For Standard series and Preferred series 1, the MER also includes a fee that is paid to your financial security advisor for the services and advice provided to you. You don't pay the MER directly but it will reduce the return on your investment. For Partner series and Preferred partner series, you will pay for the financial security advisor's services through the redemption of units from your policy, known as an AMS fee. This fee is negotiable and ranges from 0.50-1.25%.

Available additional guarantee options are subject to the following fees. You have to pay for these as set out below and this cost isn't included in the MER. For details about how the guarantees work, please see the applicable section of your information folder and contract.

Guarantee policy	Standard series: FEL, DSC and LSC options	Preferred series 1: FEL, DSC and LSC options	Partner series: FEL option	Preferred partner series: FEL option	Death benefit guarantee reset option (%)	Maturity guarantee reset option (%)	Lifetime income benefit fee (%)
Maturity / death benefit (%)	MER (Annual rate as a % of the fund's value)				Additional costs		
75 / 75	2.94	2.48	1.82	1.35	n/a	n/a	n/a
75 / 100	3.17	2.82	2.04	1.69	0.21	n/a	n/a
100 / 100	3.45	3.27	--	--	0.21	0.27	n/a

Trailing commission

Canada Life may pay a trailing commission for the services and advice provided to you. The trailing commission is paid out of the management fee for as long as you hold the fund. The rate depends on the series you choose.

Series	Trailing commission
Standard series FEL and Preferred series 1 FEL options	Up to 1% of the value of your investment each year.
Standard series DSC and Preferred series 1 DSC options	Up to 0.50% of the value of your investment each year.
Standard series LSC and Preferred series 1 LSC options	Up to 1% of the value of your investment each year.
Partner series FEL and Preferred partner series FEL options	No trailing commission, but you are responsible for the AMS fee negotiated with your financial security advisor.

European Equity

3. Other fees

You may have to pay other fees when you redeem or switch units of the fund.

Fee	What you pay
Short-term trading fee	Up to 2% of the value of units you redeem or switch within 90 days of investing in the fund.
Switch fee	• You may make up to 12 free switches in each calendar year and after that you may be charged a fee. • You may be charged up to 5% of the value of the units you switch to the Standard series FEL or Partner series FEL options or up to 2% of the value of the units you switch to the Preferred series 1 FEL or Preferred partner series FEL options.

What if I change my mind?

You can change your mind and cancel the segregated fund policy, the initial pre-authorized chequing premium or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.

Trailing commission

Canada Life may pay a trailing commission for the services and advice provided to you. The trailing commission is paid out of the management fee for as long as you hold the fund. The rate depends on the series you choose.

Series	Trailing commission
Standard series FEL and Preferred series 1 FEL options	Up to 1% of the value of your investment each year.
Standard series DSC and Preferred series 1 DSC options	Up to 0.50% of the value of your investment each year.
Standard series LSC and Preferred series 1 LSC options	Up to 1% of the value of your investment each year.
Partner series FEL and Preferred partner series FEL options	No trailing commission, but you are responsible for the AMS fee negotiated with your financial security advisor.

3. Other fees

You may have to pay other fees when you redeem or switch units of the fund.

Fee	What you pay
Short-term trading fee	Up to 2% of the value of units you redeem or switch within 90 days of investing in the fund.
Switch fee	• You may make up to 12 free switches in each calendar year and after that you may be charged a fee. • You may be charged up to 5% of the value of the units you switch to the Standard series FEL or Partner series FEL options or up to 2% of the value of the units you switch to the Preferred series 1 FEL or Preferred partner series FEL options.

What if I change my mind?

You can change your mind and cancel the segregated fund policy, the initial pre-authorized chequing premium or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
