### Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The insurance cost for the guarantee is included in the investment management fee. For details, please refer to the information folder and contract.

### Who is this fund for?

A person who is investing for the longer term, seeking the growth potential of U.S. stocks and is comfortable with moderate risk. Since the fund invests in stocks its value is affected by stock prices, which can rise and fall in a short period of time.

### How has the fund performed?

This section tells you how the fund has performed over the past 10 years. The performance shown below is of the 75/75 guarantee Standard series fund. The MER for Constellation series 75/75 is lower than Standard series 75/75 as you pay the advisory and management services fee separately. For Standard series 75/75 this fee is included in the MER. This means the returns for Constellation series 75/75 are expected to be higher than what is shown below. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how the Constellation series option will perform in the future. Also, your actual return will depend on the guarantee policy you choose and your personal tax situation.

#### Average return

A person who invested \$1,000 in the 75/75 guarantee Standard series fund on December 31, 2014 would have \$4,351.27 on December 31, 2024. This works out to an average of 15.84% a year.

#### Year-by-year returns (%)

This chart shows how the 75/75 guarantee Standard series fund has performed in each of the past 10 years. In the past 10 years, the fund was up in value 9 years and down in value 1 year.

### How risky is it?

The risk rating for this fund is *Moderate*.

The value of your investments can go down. Please see the *Fund risks* section of the information folder for further details.

## U.S. All Cap Growth

### How much does it cost?

The following table shows the fees and expenses you could pay to invest in or redeem units of the fund.

#### 1. Sales charges

Sales charge option	What you pay	How it works
Constellation series FEL option	There is no fee to invest or redeem units.	*You and your advisor will agree on an advisory and management services fee (AMS) of between 0.50 – 1.25%. The AMS fee is deducted from your policy every month.

#### 2. Ongoing expenses

The MER includes the management fee and operating expenses of the fund as well as the insurance cost for the guarantee. You don't pay the MER directly, but it will reduce the return on your investment. For Constellation series you will pay for the advisor's services through the redemption of units from your policy, known as an AMS fee. This fee is negotiable and ranges from 0.50-1.25%.

Available additional guarantee options are subject to the following fees. You have to pay for these as set out below and this cost isn't included in the MER. For details about how the guarantees work, please see the applicable section of your information folder and contract.

Guarantee policy	Constellation series: FEL option	Death benefit guarantee reset option (%)	Maturity guarantee reset option (%)
Maturity / death benefit (%)	MER (Annual rate as a % of the fund's value)	Additional costs	
75 / 75	1.83	n/a	n/a
75 / 100	2.21	0.16	n/a
100 / 100	--	0.16	0.21

#### Trailing commission

No trailing commission, but you are responsible for the AMS fee negotiated with your advisor.

#### 3. Other fees

You may have to pay other fees when you redeem or switch units of the fund.

Fee	What you pay
Short-term trading fee	Up to 2% of the value of units you redeem or switch within 90 days of investing in the fund.
Switch fee	<ul style="list-style-type: none"><li>You may make up to 12 free switches in each calendar year and after that you may be charged a fee.</li><li>You may be charged up to 5% of the value of the units you switch to the Standard series FEL or Partner series FEL options or up to 2% of the value of the units you switch to the Preferred series 1 FEL or Preferred partner series FEL option.</li></ul>

### What if I change my mind?

You can change your mind and cancel your initial premium, the initial pre-authorized or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
