Investment segmentation

This information is not available because this fund was launched on September 26, 2025.

Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The insurance cost for the guarantee is included in the investment management fee. For details, please refer to the information folder and contract.

Who is this fund for?

A person who is investing for the medium to longer term, seeking the growth potential of US stocks and is comfortable with moderate risk. Since the fund invests in stocks its value is affected by stock prices, which can rise and fall in a short period of time.

How has the fund performed?

This fund was launched on September 26, 2025. Performance data cannot be published until a fund has been available for one year.

How risky is it?

The risk rating for this fund is *Moderate*.

The value of your investments can go down. Please see the *Fund risks* section of the information folder for further details.

U.S. Large Cap Equity Index ETF

How much does it cost?

The following table shows the fees and expenses you could pay to invest in or redeem units of the fund.

1. Sales charges

Sales charge option	What you pay	How it works
Preferred series 2 FEL option	Up to 2% of the amount you invest.	<ul style="list-style-type: none"> You and your advisor determine the rate. The fee is deducted from the amount you invest. It is paid as a commission.

2. Ongoing expenses

Normally the MER includes the investment management fee, operating expenses and the cost for the guarantee. These fees are normally deducted from the fund. The preferred series 2 FEL option is only available if you pay fees by redeeming units from your policy. The preferred series 2 fee agreement shows the fees you pay. These fees reduce the return you get on your investment. The advisory and management service fee is negotiable and the fee ranges between 0.50% and 1.25%.

Available additional guarantee options are subject to the following fees. You have to pay for these as set out below. For details about how the guarantees work, please see the applicable section of your information folder and contract.

Guarantee policy	Death benefit guarantee reset option (%)	Maturity guarantee reset option (%)
Maturity / death benefit (%)	Additional costs	
75 / 75	n/a	n/a
75 / 100	0.16	n/a
100 / 100	0.16	0.21

Trailing commission

No trailing commission.

3. Other fees

You may have to pay other fees when you redeem or switch units of the fund.

Fee	What you pay
Short-term trading fee	Up to 2% of the value of units you redeem or switch within 90 days of investing in the fund.
Switch fee	You may make up to 12 free switches in each calendar year and after that you may be charged a fee.

What if I change my mind?

You can change your mind and cancel the segregated fund policy, the initial pre-authorized chequing premium or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
