Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes the insurance cost for the guarantee. For details, please refer to the information folder and contract.

Who is this fund for?

A person who is investing for the longer term and seeking the potential for long-term growth by investing in a portfolio of Canadian real estate properties and are comfortable with low to moderate risk due to the ups and downs of the real estate market. Redemptions may be suspended during any period that the segregated fund does not have sufficient cash or readily marketable securities to meet requests for redemptions. **This fund should be considered as a long-term investment and is not suitable for a person who may need to quickly convert their holdings to cash.**

Notes

Over the past five years, the Real Estate fund has bought \$294 million worth of real property and has sold \$994 million worth.

How has the fund performed?

This section tells you how the fund has performed over the past 10 years for a policyowner who chose the 75/75 guarantee policy and Standard series option. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how a Standard series option will perform in the future. Also, your actual return will depend on the guarantee policy and sales charge option you choose and your personal tax situation.

Average return

A person who invested \$1,000 in a Standard series option on December 31, 2014 would have \$1,205.39 on December 31, 2024. This works out to an average of 1.89% a year.

Year-by-year returns (%)

This chart shows how a Standard series option has performed in each of the past 10 years. In the past 10 years, the fund was up in value 7 years and down in value 3 years.

How risky is it?

The risk rating for this fund is *Low to moderate*.

The value of your investments can go down. Please see the *Fund risks* section of the information folder for further details.

The AMS fee is deducted from your policy every month.
Preferred partner series FEL option	Up to 2% of the amount you invest.	

2. Ongoing expenses

The MER includes the management fee and operating expenses of the fund as well as the insurance cost for the guarantee. For Standard series and Preferred series 1, the MER also includes a fee that is paid to your financial security advisor for the services and advice provided to you. You don't pay the MER directly but it will reduce the return on your investment. For Partner series and Preferred partner series, you will pay for the financial security advisor's services through the redemption of units from your policy, known as an AMS fee. This fee is negotiable and ranges from 0.50-1.25%.

Available additional guarantee options are subject to the following fees. You have to pay for these as set out below and this cost isn't included in the MER. For details about how the guarantees work, please see the applicable section of your information folder and contract.

Guarantee policy	Standard series: FEL, DSC and LSC options	Preferred series 1: FEL, DSC and LSC options	Partner series: FEL option	Preferred partner series: FEL option	Death benefit guarantee reset option (%)	Maturity guarantee reset option (%)	Lifetime income benefit fee (%)

Switch fee	<ul style="list-style-type: none">• You may make up to 12 free switches in each calendar year and after that you may be charged a fee.• You may be charged up to 5% of the value of the units you switch to the Standard series FEL or Partner series FEL options or up to 2% of the value of the units you switch to the Preferred series 1 FEL or Preferred partner series FEL options.

What if I change my mind?

You can change your mind and cancel the segregated fund policy, the initial pre-authorized chequing premium or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
