

**Addendum to Canada Life investment plans
Originally with Great-West Life
Managed-money program
Information folder addendum**

Updates to the Investment managers section

As of October 1, 2025, Setanta Asset Management Limited merged into Keyridge Asset Management Limited who will now be the investment manager of the following segregated funds:

Segregated fund names
European Equity
Global All Cap Equity

The *Investment managers* section located on page 28 of the Canada Life Managed-money program information folder originally with Great-West Life, is amended to remove all references to Setanta Asset Management Limited. The following investment manager is added to the section:

Keyridge Asset Management Limited
Beresford Court, Beresford Place, Dublin 1
D01 X0V8, Ireland

The Fund Facts, forming part of the Canada Life Managed-money program information folder originally with Great-West Life, are amended to reflect where a segregated fund is currently managed by Setanta Asset Management Limited will now be changed to Keyridge Asset Management Limited.

No other changes were made to either the information folder or Fund Facts.

This addendum forms part of your information folder containing important provisions that you should read prior to investing. The information folder contains general information about your policy and includes a summary of the various types of risks that may apply when you invest in a segregated fund. This addendum is not an insurance contract.

The Canada Life Assurance Company ("Canada Life") is the sole issuer of the individual variable annuity policy described in the information folder.

Investment segmentation

Are there any guarantees?

This fund is being offered under an insurance contract. It comes with guarantees that may protect your investment if the markets go down. The MER includes the insurance cost for the guarantee. For details, please refer to the information folder and contract.

Who is this fund for?

A person who is investing for the longer term, seeking the growth potential of European companies and is comfortable with moderate risk. Since the fund invests in stocks its value is affected by stock prices, which can rise and fall in a short period of time.

Notes

As of October 1, 2025, through a corporate reorganization, Keyridge Asset Management Limited assumed portfolio management responsibilities from Setanta Asset Management Limited. No other changes were made to the segregated fund.

How has the fund performed?

This section tells you how the fund has performed over the past 10 years. Returns are after the MER has been deducted.

It's important to note that this doesn't tell you how the fund will perform in the future. Also, your actual return will depend on your personal tax situation.

Average return

A person who invested \$1,000 in the fund on December 31, 2014 would have \$1,713.54 on December 31, 2024. This works out to an average of 5.53% a year.

Year-by-year returns (%)

This chart shows how the fund has performed in each of the past 10 years. In the past 10 years, the fund was up in value 6 years and down in value 4 years.

How risky is it?

The risk rating for this fund is *Moderate*.

The value of your investments can go down. Please see the *Fund risks* section of the information folder for further details.

European Equity

How much does it cost?

The following table shows the fees and expenses you could pay to invest in or redeem units of the fund.

1. Sales charges

Sales charge option	What you pay	How it works
Managed-money program	There is no fee to invest or redeem units.	<ul style="list-style-type: none">• You and your financial security advisor agree on an advisory and management services fee of between 1.00% and 1.25% where the initial premium is between \$250,000 to \$499,999 and 0.50% to 1.25% where the initial premium is \$500,000 and over.• The fee is deducted from your plan monthly based on the value of your plan.• You can exchange to units of other funds under the contract at any time.

2. Ongoing expenses

The MER includes the management fee and operating expenses of the fund. The MER includes the insurance cost for the guarantee. You do not pay these expenses directly. They affect you because they reduce the return you get on your investment. For details about how the guarantee works, see your insurance contract.

Guarantee option	MER (Annual rate as a % of the fund's value)*
75% maturity and 75% death benefit guarantee	1.59

*Advisory and management services fee is not included in the MER.

Trailing commission

Canada Life pays the negotiated advisory and management services fee of up to 2% of the value of your investments for the services and advice provided to you for as long as you hold the fund.

3. Other fees

You may have to pay other fees when you redeem or exchange units of the fund.

Fee	What you pay
Short-term trading fee	Up to 2% of the value of units you redeem or exchange within 90 days of investing in the fund.

What if I change my mind?

You can change your mind and cancel the investment fund contract, the initial pre-authorized chequing premium or any lump-sum premium you apply to the policy by telling us in writing within two business days of the earlier of the date you received confirmation of the transaction or five business days after it is mailed to you.

Your cancellation request has to be in writing, which can include email or letter. The amount returned will be the lesser of the amount of the premium being cancelled or the value of the applicable units acquired on the day we process your request. The amount returned only applies to the specific transaction and will include a refund of any sales charges or other fees you paid.
