

# Canada Life participating account – equity holdings

Excludes former New York Life and Crown Life blocks

## Account details

at June 30, 2018

**Portfolio size:** \$1,214.4 million

**Proportion of total assets of the Canada Life™ participating account:** 19.1 per cent

## Investment guidelines

Real estate is managed by GWL Realty Advisors, Inc. (GWLRA). GWLRA is a wholly owned subsidiary of The Great-West Life Assurance Company with eight offices in major centres across Canada.

Common stocks are managed by GLC Asset Management Group Ltd. (GLC). The stock portfolios are diversified by growth/income characteristics and by investment management style through GLC's three investment divisions: GWL Investment Management (GWLIM), London Capital Management (LCM) and Laketon Investment Management (Laketon). Each division pursues its own unique investment style, process and philosophy. The funds are diversified portfolios of publicly traded stocks, primarily Canadian securities.

Most preferred stock is managed directly by the bond unit, which manages the general account bond investments in Canada for Canada Life.

Five-year GICs	1.4%	1.4%	1.4%	1.6%	1.6%	1.8%

Performance data are provided for illustrative purposes only and represent past performance, which is not necessarily indicative of future performance.

The return on the equities of the participating account reflects the return on the equity assets backing liabilities and surplus, after investment expenses are deducted. The return on the equities of the participating account is in accordance with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board (IASB), effective Jan. 1, 2011.

Common stock returns, are valued on a marked-to-market basis, in other words, not smoothed. With the adoption of IFRS, effective Jan. 1, 2011, real estate returns are also valued on a marked-to-market basis. The return on the equities contributes to the overall investment performance of the total participating account.

S&P/TSX composite total return index includes the reinvestment of dividends. TSX © Copyright 2017 TSX Inc. All rights reserved.

Five-year guaranteed investment certificate (GIC) returns are based on the nominal yields to maturity taken from Statistics Canada, CANSIM table 176-0043, series V122526 (Statistics Canada website), Jan. 3, 2018. For each calendar year, the average of the monthly GIC rates was used.
