Protecting Your Family And Your Home

Buying a home is often the single largest purchase a person will make in their lifetime. This is why it is important to protect your investment. But what would happen if you were to become critically ill or totally disabled? Would your family be able to keep making the mortgage payments? Would they have to sell your home?

This booklet describes the insurance provided to **TD Canada Trust Mortgage customers** who are covered by optional **Mortgage Living Benefit Insurance**. The insurance provides coverage for critical illness and disability. Critical illness coverage is only offered with disability coverage. Coverages are not offered separately.

If you don't safeguard the lifestyle you've earned and the security your family deserves, you could be exposing them to unexpected financial hardship. Mortgage Living Benefit Insurance is protection for your mortgage, which can mean financial security for you and your family.

Once you're insured, if you're diagnosed with a covered critical condition, the insurance benefit can pay down or pay off the balance of your insured TD Canada Trust Mortgages. If you become totally disabled while insured, your regular payments on your insured TD Canada Trust Mortgages can be paid for you.

Mortgage Living Benefit Insurance offers competitive group premium rates based on the age of the person being insured. The monthly insurance cost is based on your age when you apply and the amount of your Mortgage.

There can be more than one insured individual (borrowers or guarantors) for Mortgage Living Benefit Insurance. A 25 per cent discount applies to you where there are multiple insured persons on the same Mortgage.

Why Mortgage Living Benefit Insurance?

- ▶ Help protect your family financially
- ▶ Critical Illness coverage pays down your mortgage
- ▶ Disability coverage provides a monthly benefit towards your mortgage payment
- ▶ Premiums based on your age at application and won't increase as long as your mortgage and its coverage remains the same
- ▶ 25% off premiums when multiple borrowers are insured on the same mortgage

The following [Credit Protection - What You Need to Know](#) information sheet summarizes the insurance benefits. For complete details of coverage, please refer to the [Certificate of Insurance](#) in this booklet.

▶ Credit Protection - What You Need to Know

Who Is Eligible For Insurance

Mortgage Living Benefit Insurance is an optional creditor group coverage for TD Canada Trust Mortgage borrowers and guarantors.

You can apply for this insurance if you:

- are a Canadian resident;
- are 18-55 years old;
- are actively working on the date of application, in full-time employment, self-employment or seasonal employment; and
- have not applied for or received disability benefits in the past 24 months.

If the total of all your TD Mortgage(s) exceeds \$500,000, we may offer you partial coverage. In each instance you will be notified in writing of the administrators decision.

What Are The Benefits

The insurer can pay TD Canada Trust up to \$500,000 for critical illness coverage if you are diagnosed with a covered critical condition and up to \$3,000 monthly for a maximum of 24 months for disability coverage if you become totally disabled, to be applied towards your mortgage.

This consists of payments towards:

For Critical Illness:

- ✓ your outstanding mortgage principal amount less any unpaid arrears
- ✓ any mortgage interest and insurance premiums owing
- ✓ any discharge or penalty fees on your mortgage
- ✓ any overdrawn balance in your property tax account if you have arranged for TD Canada Trust to make these payments

For Disability:

- ✓ your principal and interest less any unpaid arrears
- ✓ any bank administered property tax
- ✓ any insurance premiums for any insured borrower or guarantor

Note: Canada Life is the insurer for all coverages.

 See pages 9 and 11 of the Certificate of Insurance for details.

▶ How Does The Coverage Work

Critical illness coverage covers you for the following covered conditions: Cancer (life threatening), Acute Heart Attack, and Stroke.

Disability coverage covers you for Total Disability due to Accident or sickness.

Note: Critical illness coverage is only offered with disability coverage. Coverages are not offered separately.

 See pages 9-12 of the Certificate of Insurance for the definition of covered conditions and for coverage details.

When The Insurance Coverage Starts

- If you answered “NO” to all health questions, then coverage starts on the date you applied for coverage.
- If you answered “YES” to any of the health questions, a separate Health Questionnaire is required. In this case, your coverage starts only when you are notified in writing that you are approved.

When The Insurance Coverage Ends

Mortgage Living Benefit Insurance may end before your mortgage is fully paid.

Here are some examples of when coverage will end:

- your mortgage is transferred to a different lender;
- your insurance premium is in arrears 3 consecutive months;
- you turn 65 years old for disability coverage and 70 years old for critical illness coverage; or
- any critical illness coverage benefit is paid on your mortgage.

 See page 7 of the Certificate of Insurance for details of when coverage ends.

How To Submit A Claim

For more information on submitting a claim, call TD Life at **1-888-983-7070** or see page 7 of the Certificate of Insurance for details.

How To Cancel Coverage

You can cancel your own coverage **at any time**. If you cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

To cancel, contact us at **1-888-983-7070**.

When An Insurance Benefit Will Not Be Paid

The coverages have certain limitations and exclusions. Here are some examples of when an insurance benefit will not be paid:

- you give any false or incomplete responses to any of the health questions. In this case the coverage will be void;
- you are diagnosed with Cancer (life threatening) in the first 90 days after coverage starts. Should this happen, critical illness and disability coverages will terminate and premiums paid will be refunded; or
- your disability occurs due to a pre-existing condition.

 See pages 7-8, 9-10 and 11-12 of the Certificate of Insurance for details of coverage limitations and exclusions.

How To Calculate The Premium

Your premium is calculated based on your age and the amount of your mortgage at application. Your insurance premiums will be included as part of your regular mortgage payment.

Follow the steps below and use the spaces to help calculate your premium:

			Sample Calculation†
Step 1:	____(A)	Premium Rate	\$0.28
Step 2:	____(B)	Mortgage Amount	\$100,000
Step 3:	____(C)	$A \times B \div 1000 = C$, C is the monthly premium	$\$0.28 \times \$100,000 \div 1,000 = \$28.00$
Step 4:*	____(D)	$C + (C \times \text{your provincial tax rate}) = D$, D is the monthly premium after tax	$\$28.00 + (\$28.00 \times 8\%) = \$30.24$

†Sample calculation for a 34 year old, Mortgage Living Benefit insured living in Ontario

*Follow step 4 only if provincial sales tax applies

If another person also becomes insured for Mortgage Living Benefit Insurance on the same mortgage, a 25% discount will be applied to each of your individual premiums.

 See page 13 of the Certificate of Insurance for example on premium discount calculation.

Premium Rates

Coverages

Critical Illness Coverage

Critical Illness covers the following conditions; *Cancer (life threatening), Acute Heart Attack* and *Stroke*.

Maximum *Critical Illness* Coverage Amounts You Can Apply For

You can apply to insure the amount of *your Mortgage* up to a maximum of \$500,000 for *Critical Illness* coverage for all of *your* combined *TD Canada Trust Mortgages*.

Once *your Application* has been completed and prior to funding:

- you may apply to increase or decrease *your Mortgage* amount; and if
- *TD Canada Trust* approves the new amount of *your Mortgage*; then
- the amount of coverage will be calculated based on the funded amount of *your Mortgage*.

Note: The amount of coverage will be subject to the maximum *Critical Illness* coverage amount and any other applicable restrictions in *your* insurance approval letter or Certificate of Insurance.

Partial Coverage

If the total of all *your Mortgages* insured with *Critical Illness* coverage exceeds \$500,000, we may offer you partial *Critical Illness* coverage.

In this case, *your* maximum partial coverage amount will be a percentage of *your Mortgage*. We will specify this percentage in the letter we send approving you for coverage.

The following two examples illustrate when we would offer partial coverage:

Example 1: If *Critical Illness* coverage on *your* first *Mortgage* is \$300,000 and you are approved for a second *Mortgage* for \$400,000 with *Critical Illness* coverage, the following will apply:

- Since the maximum coverage offered is \$500,000, the remaining coverage available on *your* second *Mortgage* is \$200,000.
- This is 50% of *your* second *Mortgage* amount (\$200,000/\$400,000).
- If at claim time the balance on *your* second *Mortgage* is \$100,000, then the maximum amount payable under *your* partial coverage will be 50% of *your* balance on *your* second *Mortgage* (50% of \$100,000 = \$50,000).

Example 2: If *your Mortgage* balance was \$620,000 when you applied and were approved for *Critical Illness* coverage, the following will apply:

Since the maximum coverage offered is \$500,000,

- You are provided with 81% ($\$500,000 \div \$620,000$) of *your Mortgage* balance in coverage.
- If at claim time the balance on *your Mortgage* is \$420,000, then the maximum amount payable under *your* partial coverage will be \$340,200 (81% of \$420,000).

How A *Critical Illness* Benefit Is Determined and Paid

In the event you are diagnosed with *Cancer (life threatening), Acute Heart Attack*, or *Stroke* we will pay a benefit to *TD Bank*.

We will determine the amount payable as of the date of diagnosis.

The maximum *Critical Illness* coverage amount payable is \$500,000, and we pay a benefit equal to the lesser of:

- the outstanding balance on *your Mortgage* less any unpaid arrears. We will not pay more than the outstanding balance on *your* insured *Mortgage(s)*; or
- if applicable, a percentage of the outstanding balance on *your Mortgage*, as described in the "Partial Coverage" section on page 9.

In addition, subject to the maximum *Critical Illness* coverage amount of \$500,000, we pay the following amount associated with *your Mortgage*:

- any *Mortgage* interest and insurance premiums owing;
- any discharge or penalty fees on *your Mortgage*; and
- any overdrawn balance in *your* property tax account, if you have arranged for *TD Canada Trust* to make these payments.

Note: We will deduct from the insurance benefit any *Mortgage* payments that were in arrears prior to the date we determined the benefits.

When We Will Not Pay A *Critical Illness* Benefit

- if *your* diagnosis of a covered condition occurs within 24 months of the start of *your* coverage, and is a result of an illness or condition for which you had symptoms or received medical consultation, treatment, care or services, including prescribed medication, during the 24 months prior to the start of *your Critical Illness* coverage (this is called a "**pre-existing condition**");

- if *your* claim is a result of *your* use of illegal or illicit drugs or substances; or
- if *your* claim is a result of *your* misuse of medication obtained with or without prescription.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- if *you* gave any false or incomplete responses to requests for information that we required to approve *your* insurance. This applies to the responses in *your Application* and to any other information we receive from *you*, whether in writing, electronically or by telephone; or
- if a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis, occurs within 90 days after *your* coverage starts. In this instance, all insurance premiums will be refunded.

Definitions Applicable To *Critical Illness* Coverage

Acute Heart Attack: the death of a portion of *your* heart muscle resulting from inadequate blood supply for which the following test results are confirmed:

- An increase of cardiac bio-markers and/or enzymes found in the blood stream, as a result of damaged heart muscle tissue, to levels considered diagnostic for an acute myocardial infarction.

Diagnosis of the *Acute Heart Attack* must be made by a qualified cardiac specialist.

Acute Heart Attack does not include:

- an incidental finding of ECG changes suggesting a prior myocardial infarction with no corroborating event;
- an increase of cardiac bio-markers and/or enzymes due to coronary angioplasty (a medical procedure involving the ballooning of a narrowed coronary artery) unless there are new elevations of ST segments in the involved ECG leads considered diagnostic for an acute myocardial infarction; or
- an increase of cardiac bio-markers and/or enzymes in the blood stream due to pericarditis or myocarditis.

Application: the completed written, printed, electronic and/or telephone *Application for Mortgage Living Benefit Insurance*, including the *Health Questionnaire*, if applicable.

Cancer (life threatening): a life-threatening tumour characterized by the uncontrollable growth and spread of malignant cells.

Cancer (life threatening) does not include:

- carcinoma in situ;
- malignant melanoma to a depth of .75mm or less;
- skin Cancer that has not spread beyond the deepest layer of the skin;
- Kaposi's sarcoma;
- Stage A (T1A or T1B) prostate Cancer; or
- any diagnosis or investigation leading to a diagnosis, which occurs within 90 days when *your* coverage starts.

Critical Illness: coverage for *Cancer (life threatening)*, *Acute Heart Attack* and *Stroke*, as more fully described in the "*Critical Illness Coverage*" section.

Stroke: a cerebrovascular event producing neurological sequelae lasting more than 30 consecutive days and caused by thrombosis, hemorrhage or embolism from an extra-cranial source, and for which there is evidence of measurable, objective neurological deficit.

Stroke does not include:

- Transient Ischemic Attacks

Disability Coverage

Disability is coverage that pays a monthly benefit if *you* become *Totally Disabled*.

Maximum *Disability* Coverage Amount You Can Apply For

The maximum *Disability* coverage offered on all of *your* combined *TD Canada Trust Mortgage* (s) is \$3,000 monthly. The benefit payable will continue while *you* are *Totally Disabled* to a maximum of 24 monthly *Mortgage* payments.

The maximum of 24 monthly *Mortgage* payments is applicable to each insured borrower.

Note: The amount of coverage will be subject to the maximum *Disability* coverage amount and any other applicable restrictions in *your* insurance approval letter or Certificate of Insurance.

How A *Disability* Benefit Is Determined

When we pay an insurance benefit, we will pay *your* monthly *Mortgage* payment subject to the maximum amount of \$3,000 monthly and 24 monthly payments. Where *you* are only *Totally Disabled* for a portion of any month, *your* benefit payment will be prorated accordingly.

During the period we pay *Disability* benefits:

- *you* must be under the continuous care of a doctor licensed to practice medicine in Canada; and
- cannot be doing any work for pay or for expectation of a profit.

Additionally:

- If we determine that *you* have recovered and are no longer *Totally Disabled*, we will stop paying benefits.
- If *your Total Disability* recurs from the same cause and *you* are *Totally Disabled* again within 90 days of the date we stopped paying benefits, we will waive the *Elimination Period*, which is 30 consecutive days after being *Totally Disabled*, and resume paying benefits.
- However, if *your Total Disability* recurs later than 90 days after the payment of benefits stopped, or if *you* suffer a *Total Disability* from a different cause, we will treat it as a new claim and a new *Elimination Period* will apply.

When a benefit is payable, subject to the maximum *Disability* coverage amount of \$3,000 per month, we will pay a benefit equal to *your* monthly *Mortgage* payment.

In addition, subject to the maximum *Disability* coverage amount of \$3,000 per month, we pay the following associated with *your Mortgage* payment:

- *your* principal and interest less any unpaid arrears;

- any Bank administered property tax; or
- any insurance premiums for any insured borrower or guarantor.

During a *Disability* claim, if *your Mortgage* payment amount changes *your* benefit amount will be adjusted subject to the maximum when:

- *your Mortgage* is renewed;
- adjustments are made to *your* bank administered property taxes;
- changes are made to insurance premiums for any insured borrower or guarantor.

When We Pay A *Disability* Benefit

In the event *you* are *Totally Disabled*, we will pay a benefit to *TD Bank* towards *your Mortgage* after the *Elimination Period*, subject to any limitations set out in this Certificate of Insurance.

When We Will Not Pay A *Disability* Benefit

- if *your Total Disability* occurs before *your* insurance coverage starts;
- if *your Total Disability* occurs within 12 months of *you* becoming covered under this Certificate of Insurance, and is the result directly or indirectly of a medical condition, sickness or injury for which medical advice, consultation or treatment was received during the 12 months prior to the start of *your* insurance (this is called a “**pre-existing condition**”);
- if *your Total Disability* is a result of a normal pregnancy;
- if *your Total Disability* is due to drug or alcohol misuse or abuse unless *you* are participating in a rehabilitation or treatment program approved by us;
- if *your Total Disability* is a result of *your* intentional self-inflicted injury, suicide or attempted suicide (whether *you* are aware or not aware of the result of *your* actions, regardless of *your* state of mind);
- if *your Total Disability* is a result of, associated with or happens while *you* are committing a criminal offence;
- if *your* claim is not made within one year of the date of *your Total Disability*;
- if two or more persons insured on the *Mortgage* are *Totally Disabled* at the same time; in this case, we will only pay benefits for the first person who became *Totally Disabled*; or
- if *your* maximum of 24 months of *Disability* benefit has been reached, in this case *Critical Illness* coverage will continue.

For additional exclusions, please refer to section “When We May Not Pay Any Benefit and Terminate All *Your* Coverage”.

When We May Not Pay Any Benefit and Terminate All *Your* Coverage

- *you* give any false or incomplete responses to requests for information that we require to approve *your* insurance. This applies to the responses in *your Application* and to any other information we receive from *you*, whether in writing, electronically or by telephone; or
- if *your Total Disability* is due to a diagnosis of *Cancer (life threatening)* or investigation leading to a diagnosis occurs within 90 days from when *your* coverage starts.

Definitions Applicable To *Disability Coverage*

Accident: a violent, sudden and unexpected action from an external source but does not include injuries resulting either directly or indirectly from any illness, medical condition or congenital defect, regardless of:

- whether the illness or condition arose before or after *your* coverage starts;
- how *you* came to suffer from the illness or condition; or
- whether the illness, condition or defect or resulting injury was expected or unexpected.

Disability: coverage if *you* become *Totally Disabled* as more fully described in the "*Disability Coverage*" section.

► Premium Information for Mortgage Living Benefit Insurance

- *Mortgage Living Benefit Insurance* premiums for each covered borrower or guarantor are calculated separately at the time each borrower or guarantor applies for coverage and billed jointly.
- A 25% multi-insured discount will apply to *your Mortgage Living Benefit Insurance* premium if there is another person insured with *Mortgage Living Benefit Insurance* coverage related to this *Mortgage*.
- The rate to calculate *your* premium is based on *your* age when *you* apply for coverage.
- *Your* premiums will not increase for the term of *your Mortgage*, even as *you* get older.
- Provincial sales taxes are added to *your* premiums, if applicable.

Your premium amount will not be adjusted once *you*:

- reach the maximum *Disability* benefit payments of 24 months; or
- reach age 65.

The premium rates per \$1,000 of coverage are shown in the table below. These rates do not include provincial sales taxes.

Note: If we increase the rates, the increase will apply to everyone covered. We will let *you* know before making any changes to the rates.

Premium Rates

Monthly premium rates per \$1,000 of single coverage:

Age	Rate	Age	Rate
18 to 30	\$0.20	41 to 45	\$0.60
31 to 35	\$0.28	46 to 50	\$0.89
36 to 40	\$0.37	51 to 55	\$1.25

How To Calculate *Your* Premium

We will withdraw *your* insurance premiums, plus any applicable provincial sales taxes as part of *your* regular *Mortgage* payment. They will be converted to the payment frequency that *you* choose for *your Mortgage* payment.

To calculate *your* monthly premium:

1. Find the rate that applies to *you* in the table;
2. Multiply it by the insured amount of *your Mortgage* as of the date *you* apply for coverage or the date it is funded, whichever is later;
3. Divide the result by 1,000;
4. Apply the multi-insured discount, if applicable;
5. Apply provincial sales tax (where required).

For payment frequencies other than monthly, pro-rated premiums will apply.

Examples:

Single Applicant

You are 34 years old and *you* have a \$100,000 *Mortgage*.
Your monthly insurance premium would be:

	Mortgage Living Benefit
Step 1:	\$0.28
Step 2:	$\$0.28 \times \$100,000 = \$28,000$
Step 3:	$\$28,000 \div 1000 = \28.00
Step 4:	N/A
Monthly premium \$28.00, plus applicable provincial sales tax	

Multiple Applicants

You are 34 years old, *your* spouse is 36, and together *you* have a \$100,000 *Mortgage* and are both applying for *Mortgage Living Benefit Insurance* at the same time. *Your* combined monthly insurance premium for joint coverage would be:

	Life
Step 1:	$\$0.28 + \$0.37 = \$0.65$
Step 2:	$\$0.65 \times \$100,000 = \$65,000$
Step 3:	$\$65,000 \div 1000 = \65.00
Step 4:	$\$65.00 - 25\% = \48.75
Monthly premium \$48.75, plus applicable provincial sales tax	

Additional Information

As a general *rule*, a *Mortgage* is insured if *you* have been approved for insurance and there is an outstanding balance. The following exception applies with respect to the purchase of real estate:

- *you* enter into an Agreement of Purchase and Sale for a house or other real estate; and
- *TD Canada Trust* commits to advance funds to pay for the real estate; and
- *you* suffer a loss that would be covered under this Certificate of Insurance after coverage starts but before the funds are advanced;

then in this instance, the amount of that *Mortgage* advanced by *TD Canada Trust* to pay for the real estate will be included to calculate the benefit.

Commonly Asked Questions

About *Mortgage Living Benefit Insurance*

Is This Insurance Mandatory?

Applying for the *Mortgage Living Benefit Insurance* is optional. You aren't required to have this product to obtain any *TD Canada Trust* products or services. But, remember the benefits. If you were to be diagnosed with a *Critical Illness* or become *Totally Disabled*, without it would your family be able to take care of the payments needed to live in your home?

What If You Change Your Mind?

Your satisfaction and financial security are important to us. That's why we offer a **30-day money-back guarantee**. If for any reason you are dissatisfied with your insurance coverage, you may cancel your coverage within the first 30 days, your premiums will be refunded and coverage will be considered never to have been in force. If a claim is made within the first 30 days, a refund is not provided.

You can cancel your own coverage at any time without the consent of the other borrowers by phone or by written request.

If there are multiple borrowers with coverage on the *Mortgage*, the cancellation of one borrower's coverage does not cancel another borrower's coverage.

To Cancel By Phone

You can call TD Life at **1-888-983-7070** and, if we are able to confirm your identity, you will be able to cancel your coverage. In that case, your cancellation will start as soon as we complete the call.

To Cancel By Written Request

If you cancel your coverage by written request, we will honour your request on the date we receive it. We will refund any premiums we may owe you after your coverage has been cancelled.

Is Your Balance Covered In Full?

There are situations where your insurance coverage is less than your outstanding debt.

The maximum available coverage on all your *TD Canada Trust Mortgages* combined is:

- \$500,000 for *Critical Illness* coverage;
- \$3,000 per month to a maximum of 24 monthly *Mortgage* payments for *Disability* coverage.

If the total of all your *Mortgages* is higher, you may have partial coverage on some of the *Mortgages*.

For more information, please refer to section "Maximum *Mortgage Living Benefit Insurance* Amounts You Can Apply For" in this booklet.

Can Your Insurance End Before You Pay Off The Debt?

There are situations where your coverage may end before you pay off the balance in full and close your *Mortgage*.

For example: Your *Critical Illness* coverage will end when you turn 70 years old or if your insurance premiums are in arrears for more than three months.

For more information, please refer to sections "When Your *Mortgage Living Benefit Insurance* Ends" in this booklet.
